Disclaimer

Future Technologies does not warrant that the operation of the Products will be error-free or that operation will be uninterrupted. In no event shall Future Technologies be responsible for damages or claims of any nature or description relating to system performance, including coverage, buyer's selection of products (including the Products) for buyer's application and/or failure of products (including the Products) to meet government or regulatory requirements.

Limitation of Liability

Except to the extent prohibited by local law, in no event will future technologies or its subsidiaries, affiliates or suppliers be liable for direct, special, incidental, consequential or other damages (including lost profit, lost data, or downtime costs) arising out of the use, inability to use or the results of the product, whether based in warranty, contract, tort or other legal theory, and whether or not advised of the possibility of such damages.

"At Future Technologies
we don't see things the way they are,
but the way they will be."
